Project:

Climate Resilience of Coastal Cities at Lake Kivu, BMZ No. 202169308

Prequalification – Expression of Interest for Climate-Risk Assessment, Climate Action

Planning and Preparing Feasibility Studies / REMA Tender No. 01/C/ICB/2022-2023/REMA/KFW

KfW-Procurement No 509140

Submission Deadline:

May, 15th 2023, at 12pm (noon) hours Rwandan time

Project Executing Agency:

Rwanda Environment Management Authority (REMA)

Inyota House, KG 7 AVE

Kigali, Rwanda

Project Measures:

Rwanda Environment Management Authority (REMA) is seeking to engage a qualified Consultant to perform consulting services to support the preparation of an urban climate risk assessment, urban climate action plans as well as Feasibility Studies for Urban Climate Resilience Projects of Coastal Towns of Lake Kivu.

Today, the landscapes of the Lake Kivu Basin face a multitude of threats arising from unsustainable practices and poor land and catchment management. Many of these threats, such as erosion, landslides and sedimentation are expected to worsen under climate change. Others, like ground and surface water contamination from households and industries, encroachment on protected direct response to human activity, rendering certain challenges particularly acute in urban areas where population growth rates are expected to skyrocket in the next 30 years.

The subject project shall investigate the main climate risks of the urban centers around Lake Kivu and propose actions to minimize these risks. The expected duration of the assignment is 24 months.

Following Stages are planned:

Stage 1: Identification and visualization of hazard affected areas and their exposure

Stage 2: Development of impact chains and identify quick-wins pilot project

Stage 3: Identification and proposing of suitable climate infrastructure adaptation measures (Climate-change Action Plan)

Stage 4: Preparation of Feasibility Studies for the pre-selected infrastructure projects. The overall budget for investment is assumed to be in the range of 20 to 40 Mio. EUR, but could be extended up to EUR 80 Mio. EUR.

Stage 5: Monitoring and Evaluation

A Consultant (hereafter referred to "the Consultant") will assist the PEA, the Rwanda Environment Management Authority, REMA, to develop the required documents.

As the Programme is currently set up the described services may still undergo review and modifications. Final scope of services will be described in the Terms of Reference attached to the Invitation to Tender.

The services are to be delivered by a team comprised of long-term and short-term staff, and other professional and administrative support staff. Efficient management shall be made available.

Further Information:

This prequalification for consulting services will be guided by the latest version of the „Guidelines for the Procurement of Consulting Services, Works, Plant, Goods and Non-Consulting Services in Financial Cooperation with Partner Countries" (version of January 2021), see <https://www.kfw-entwicklungsbank.de/International-financing/KfW-Development-Bank/Publications-Videos/Publication-series/Guidelines-and-contracts/>.

It is foreseen to assign the services to an independent consultant firm with proven experience in the sector and the region. Cooperation between international and national organisations is highly encouraged. The minimum annual turnover shall exceed 3.0 million EUR for each of the last three years.

The full Prequalification Notice with detailed information about the project, required qualifications of the Consultants, and instructions for application should be requested from the following addresses. Emails must be addressed to all recipients, note that emails which will be only addressed to one of the recipients will not be answered.
