

PUBLIC NOTICE

TRANSITION TO THE NEW EQUIVALENCE CERTIFICATE APPLICATION SYSTEM

The Higher Education Council (HEC) wishes to inform the general public that it has fully transitioned to a new Equivalence Certificate application system, now available online through Irembo (irembo.gov.rw).

The previous application system has been phased out and is no longer operational. Effective immediately, all applications for Equivalence Certificates must be submitted through the new Irembo platform.

Applicants who submitted applications through the former system, and whose Equivalence Certificates have not yet been issued, are advised to re-apply through the new system in accordance with the updated requirements.

All stakeholders are urged to take note of this transition and act accordingly.

Done at Kigali, 18 August, 2026.
