RE: REMINDER TO DO REGISTRATION

Reference is made to the article 24 of students' handbook which states that "No student is allowed to enter classes without being registered. Neither is any trainer allowed to train a non-registered student".

Reference is also made to some students attending classes without having registered. Further reference is made to the article 174 paragraph 2 of RP students' handbook which states that "2. Level 7 students in KBC who discontinued and suspended studies shall request readmission and will have a chance to complete the remaining KBC modules in the Academic Year 2022-2023. Students who do not complete their KBC modules in the academic year 2022-2023 for whatever reasons will be reintegrated into the CBC curricula."

It is based on this background that we would like to remind all students who are expected to register this academic year 2022-2023 to do so not later than tomorrow 31/01/2023 as it is the deadline for late registration.
