TRAINAIR PLUS™
PLATINUM EXCELLENCE

Our Philosophy

The philosophy of RCATIC is to **equip and empower people** with the requisite knowledge, skills, performance and attitudes **to be productive, fruitful, resourceful and impactful** as agents for transformation wherever they will be, **for development and the good of humanity**

We aim to unearth the creative abilities of RCATIC trainees for them to remain meaningful, relevant, useful and **champions of modernization and innovation** initiatives in all facets of the aviation industry.
